

PROJECT KEEP OUR KIDS SAFE

Autism Society Acadiana, with funding from the Stuller Foundation and the Christy Squittierra Genske Memorial Fund, are offering AngelSense GPS devices to our members who have children with autism who wander or elope. You must be a member of Autism Society Acadiana at the time you submit this application to be eligible for this program.

An AngelSense GPS device valued at \$99.00 and 3 months of service valued at \$134.97 will be provided through this funding. After the initial 3 months, families will be responsible for maintaining the subscription for \$45.00 per month. Autism Society Acadiana will coordinate setting up billing between families and AngelSense.

Please fill out this application and return it to Autism Society Acadiana at contact@acadianautism.org or by mail at 3108 W. Pinhook Rd., Ste. 101, Lafayette, LA 70508.

WHY DO YOU FEEL YOUR CHILD WOULD QUALIFY FOR AN ANGEL SENSE DEVICE (PLEASE STATE SPECIFIC INCIDENTS)?

If you are awarded a device, you will meet with an Autism Society Acadiana representative to discuss the program details in depth including what will be expected from both you and the organization. After the initial activation, all contact regarding the GPS device and the monitoring subscription will be AngelSense and not through Autism Society Acadiana.
